**Public Comment:**

This is the time and place for the general public to address the CAC. State law prohibits the CAC from acting on any issue not on the agenda. Because there are time limits imposed for public comment, the CAC will not answer questions nor respond to statements made during Public Comment. Comments are limited to three (3) minutes per person, with a total of 20 minutes allotted for any single item. Non-agenda items will be heard during Public Comments. Members of the CAC may choose to take notes and respond briefly after Public Comment is closed. Individuals requesting to speak to the CAC must complete a "request to Speak" form with name, address, and phone number. Items NOT on the agenda are addressed during the Public Comment section of the meeting using a BLUE form. Individuals requesting to speak regarding an agenda item will be recognized when that item is addressed using a YELLOW form. All forms must be turned in to the CAC Secretary prior to the start of the meeting.
