Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212]

The East San Gabriel Valley Special Education Local Plan Area (ESGV SELPA or SELPA) is a multi-district SELPA comprised of Azusa USD, Baldwin Park USD, Bassett USD, Bonita USD, California Virtual Academy @ Los Angeles Charter School, Charter Oak USD, Claremont USD, Covina-Valley USD, Glendora USD, iQ Academy Charter School, Opportunities for Learning - Baldwin Park Charter School, Options for Youth - Duarte Charter School, Options for Youth - San Bernardino Charter School, San Jose Charter Academy, Walnut Valley USD, and West Covina USD who joined together to provide for the coordinated delivery of programs and services to students with special needs who reside in the area. ESGV SELPA is located in the eastern section of Los Angeles County, covers 110 square miles, and borders San Bernardino and Orange County.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)]

In adopting the local plan, each participating LEA agrees to carry out the duties and responsibilities assigned to it within the plan and to ensure equal access to programs and services to eligible persons requiring special education in the service region. In addition, each LEA shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the local education agency of residence programs. Such cooperation ensures that a range of program options is available throughout the SELPA.

The governance structure of the SELPA is established by agreement among the Superintendents of the member LEAs. The governing body of the ESGV SELPA is the Superintendents' Council. The SELPA Director may convene additional advisory committees as needed. The SELPA Director is responsible for coordination of the SELPA and implementation of the local plan.

The Superintendents' Council is composed of the Superintendents, or Superintendent equivalent, from each of the 16 LEAs within the SELPA. Superintendents may participate via telephone or video conferencing, pursuant to the provisions of the Ralph M. Brown Act, if unable to attend a meeting. A quorum shall consist of one more than half of the voting members in attendance.

A chairperson shall be selected by the Superintendents' Council every two years on a rotational basis. The SELPA Director serves as Secretary to the Superintendents' Council. The SELPA Director will consult with the chair in preparation of the agenda for each meeting; the SELPA Director shall provide all support materials. The chair, or the chair's designee in the chair's absence, shall conduct the meeting.

Members of the Superintendents' Council are responsible to the governing boards of their respective LEAs.

Section B: Governance and Administration

SELPA **East San Gabriel Valley SELPA**

Fiscal Year **2023-24**

The Superintendents' Council meets a minimum of five times per school year. All meetings of the Council shall be noticed and conducted in compliance with the Brown Act and other applicable laws. The notice and minutes of all regular meetings shall be sent to all superintendents of LEAs within the SELPA, and to other persons as requested.

It is the responsibility of the Superintendents' Council to take action to approve or deny amendments to the local plan, approve changes in the SELPA allocation plan, and any other item determined necessary by the Superintendents' Council. The Superintendents' Council evaluates the SELPA Director on an annual basis.

The Superintendents' Council takes action by voting during a duly agendized meeting. Votes of each member shall be weighted based on the average daily attendance (ADA) of each member's LEA for the second reporting period (P2) of the preceding school year. The SELPA Director shall annually provide the Superintendents' Council with the weighted voting formula at the beginning of each school year. Decisions will be made by a majority vote consisting of one more than half of the those voting, except in circumstances where state or federal law requires a unanimous vote.

The East San Gabriel Valley SELPA Community Advisory Committee (CAC) serves in an advisory capacity. CAC membership includes parents of individuals with exceptional needs enrolled in public or private schools, parents of other students enrolled in school, students with disabilities, adults with disabilities, general education teachers, special education teachers, other school personnel, representatives of other public and private agencies, and persons concerned with the needs of individuals with exceptional needs. At least a majority of the CAC shall be composed of parents of students enrolled in schools participating in the local plan and at least a majority of such parents shall be parents of individuals with exceptional needs.

CAC members shall be appointed by LEA governing boards. Selection of members of the Community Advisory Committee will be the responsibility of each administrator of special education acting for the Local Board, and with its approval. The Superintendents' Council will assure that the make-up of the Committee meets the standards as stated in the California Education Code and that annually staggered two-year terms are established so that no more than half of the members serve the first year of a term in any one year. The SELPA Director or designee serves as an ex officio member of the CAC and acts as the liaison between the CAC and the Superintendents' Council.

Amendments to the Local Plan The SELPA Director shall be responsible for coordinating the development of any proposed amendments to the local plan. Amendments to the permanent portion of the local plan may be considered at any time. The Superintendents' Council may adopt changes to the local plan on an interim basis, not to exceed one school year. Amendments will be provided to the Community Advisory Committee for input and review and requires the approval of each LEA governing board. Following approval by all LEA governing boards, the SELPA will submit the local plan to the Los Angeles County Office of Education (LACOE) and California Department of Special Education.

Joining the SELPA

Any LEA may request to join the SELPA by submitting a letter of request for membership to the SELPA no later than January 15 of any school year for membership in the following fiscal year. LEAs may be required to join a Joint Powers Agreement (JPA) for purposes of membership and funding per action of the Superintendents' Council.

The letter of request for membership must specify: Name of LEA, contact person with contact information; total enrollment (actual or projected); type of special education services currently offered; plan for delivery of special education services; and background information about the LEA.

The Superintendents' Council shall review the membership request letter and supporting documentation. As necessary and appropriate, the Superintendents' Council or its designee may request additional information, including a face-to-face meeting with representatives of the LEA. SELPA staff will conduct a special education review of the LEA, including, as appropriate, review of previous compliance reviews. Results of the review, including the willingness and ability of the LEA to resolve any non-compliance, shall be reported to the Superintendents' Council.

A final decision shall be made by the Superintendents' Council regarding membership and the projected start date.

The Superintendents' Council may approve or deny any request for membership based on a review of fiscal and programmatic

SELPA **East San Gabriel Valley SELPA**

Fiscal Year **2023-24**

issues. Priority for approval shall be for requests where the programmatic issues are compatible with the SELPA Local Plan and fiscal issues are revenue neutral.

New members of the SELPA shall provide:

1. Agreement and adoption of all sections of the Local Plan by the LEA governance body.
2. Agreement of approved actions of the SELPA Superintendents' Council as contained in approved Superintendents' Council minutes.
3. Agreement that the new member LEA/charter maintains responsibility for all aspects of providing special education and related services, including the contracting and cost of any nonpublic school or agency, attorney representation as part of mediation, due process/or compliance processing and other costs associated with the provision of special education and related services.
4. Agreement to participate in the Special Education Information System (SEIS) system by providing hardware and staff consistent with required specifications.
5. As appropriate and voluntary on the part of a LEA or charter, agreement to representation via a SELPA approved Joint Powers Agreement (JPA).

The SELPA may approve membership of a group of LEAs and/or charter schools that elect to form a Joint Powers Agreement (JPA). Approval shall be based on the same criteria applicable to non-JPA SELPA members. The SELPA may develop a JPA for purposes of addressing small LEA/charter needs as a voluntary option for membership. Such development shall be approved by the Superintendents' Council. The SELPA may elect to allow an existing JPA to join the SELPA up to a total of three total JPAs maximum at one time. It is understood that the JPA shall meet all the same requirements as other LEAs and/or charter schools selected to for a JPA. It is understood that the JPA shall have voting privileges based on the total ADA of all JPA members and is entitled to the same representation as any individual LEA or charter school. The SELPA Director shall be an ex-officio member (non-voting) of this SELPA developed JPA and have access to other member JPAs to address issues consistent with the Local Plan.

Approval for membership into the SELPA shall be by any majority vote of the voting members of the Superintendents' Council. Such membership requires the applicant to agree to the provisions of the current SELPA Local Plan, including policies, agreements, and the fiscal allocation plan approved by the SELPA governance structure. Such adoptions of the current Local Plan shall not require reauthorization of the Local Plan by all members. Such membership shall be indicated via the addition of the new member's name on the Local Plan and any agreement without new approvals by other members. In addition, the member must adopt local policies and administrative regulations or procedures sufficient to support the Local Plan and in compliance with state or federal review. Failure to comply with the criteria listed above will result in the withholding of any funding allocations or portions of allocation until compliance of those items is completed.

Program Transfer

A member LEA initiating a transfer of educational programs and services already in operation within the SELPA shall follow appropriate Education Code provisions and adopted SELPA guidelines. including direct instructional support by program specialists, the use of local property taxes to support ESGV SELPA and LEA programs, and the provision of services to all students with disabilities residing within the local plan area between the ages of birth and 21 years, inclusive.

All property taxes for special education purposes may be allocated to the Los Angeles County Office of Education, and used to support the services for the severely disabled. If a time should occur where the revenues exceed the expenditures, or the Los Angeles County Office of Education is no longer used as a service provider for the severely disabled, the revenue will be allocated to the member LEAs for special education services to serve students with disabilities. The annual budget plan may be revised at any time during the fiscal year in a manner consistent with the SELPA policy-making process, the SELPA Service Plan, and then-applicable state and federal statutes and regulations.

Annual Service Plan

The SELPA shall adopt an annual service plan at a public hearing scheduled at a Superintendents' Council meeting in compliance with all legal mandates. Notice of this hearing shall be posted in each district in the special education local plan area at least 15 days prior to the hearing. The annual service plan may be revised during any fiscal year according to the SELPA policy-making process and consistent with law. The annual service plan shall include a description of services to be provided by each LEA and the county office, including the nature of the services and the physical location at which the services will be provided, including alternative schools, charter schools, opportunity schools and classes, community day schools operated by districts, community schools operated by county offices, and juvenile court schools, regardless of whether the district or county office is participating in the local plan. This description shall demonstrate that all individuals with exceptional needs shall have access to services and instruction appropriate to meet their needs as specified in their individualized education programs.

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan: [EC 56195.1(c); EC 56205(a)(12)(D)(i); EC 56195.5]

The ESGV SELPA shall submit the Local Plan to the superintendent of the Los Angeles County Office of Education for approval. The Los Angeles County Office of Education may provide services to students with disabilities and support LEAs, as requested.

5. Does the SELPA have policies and procedures that allow for the participation of charter schools in the local plan? [EC 56207.5]

☐ Yes

☒ No

If No, explain why the SELPA does not have the policy and procedures.

The East San Gabriel Valley SELPA does have a charter school policy. The 'No' box was checked so we could elaborate the policy in the SELPA Local Plan.

"A request by a charter school to participate as an LEA in the SELPA will not be treated differently from a similar request made by a school district. In reviewing and approving such a request, the following requirements shall apply:

SELPA **East San Gabriel Valley SELPA**Fiscal Year **2023-24**

1. The SELPA shall comply with Education Code section 56140.
2. The charter school shall participate in state and federal funding for special education and the receive funding in the same manner as other LEAs of the SELPA as specified in the SELPA income distribution model.
3. The charter school shall participate in the governance of the SELPA in the same manner as other LEAs of the SELPA.

Provision of Special Education Services to Students Voluntarily Enrolled in Charter Schools

This policy applies to all charter schools chartered by educational entities located within the member districts of the East San Gabriel Valley SELPA or who are chartered by an educational entity outside the SELPA boundaries, but have been approved for membership within the ESGV SELPA for special education purposes. This policy also applies to any charter school petition granted by the State Board of Education (SBE) in which oversight responsibilities have been assigned to a district within the SELPA [EC 47605.5 (k) (1)]. Students enrolled in charter schools are entitled to special education services provided by State and Federal funding. The charter schools will comply with all requirements of state and federal law regarding provision of special education services [EC 56000 et seq., Individuals with Disabilities Education Act (20 U.S.C. Chapter 33)]. Children with disabilities and their parents shall retain all rights under IDEA.

Policy Statement

Special Education and related services shall be provided to all eligible individuals within the jurisdiction of the East San Gabriel Valley SELPA in accordance with this Local Plan. Students enrolled in charter schools chartered by member districts shall receive services in a manner similar to other students. No governing board shall grant a charter unless the charter includes assurances that special education instruction and/or services shall be provided to all eligible disabled students, enrolled in charter school, in accordance with the SELPA Local Plan.

Funding for special education services, participation in the governance structure, and responsibility for provision of services, shall be based on the categorization of the individual charter school. Education Code 47613.5 allows a charter school to be deemed a Local Education Agency (LEA) for purposes of special education and to receive direct funding; or continue to be categorized as a public school within a district. All approved charter schools will be deemed public schools within a district unless the charter school meets the same criteria as any other LEA wishing to join the SELPA and as a result, the SELPA Superintendents' Council has deemed the charter school a LEA for purposes of special education funding. If the approval of a charter requires a change to the SELPA allocation plan, such change will be adopted pursuant to the policy making process of the SELPA. Approval of a new charter or LEA by the Superintendents' Council without any other changes to this Local Plan shall not require Local Board action.

1. SELPA Involvement with Approval and Renewal of Charters - Prior to approval of a new charter, or renewal of an existing charter, the superintendent or designee of the chartering entity shall consult with the SELPA Director regarding the provision of special education services to students enrolled by the charter school. The petitioner must provide adequate assurances that all eligible students enrolled in the charter school will receive/ have received appropriate special education services in accordance with the East San Gabriel Valley SELPA Local Plan. The charter must provide assurances that no student will be/has been

Fiscal Year 2023-24

denied enrollment in the charter school due to a disability or the charter school's inability to serve the student. The SELPA will be available to provide consultation on the potential fiscal impact and benefits that may be associated with granting the requested charter. An approved charter must delineate the entity responsible for providing special education instruction and services as required of all LEAs, any anticipated transfer of special education funds between the granting entity and the charter school and any provisions for sharing deficits in funding. These provisions may be included in a Memorandum of Understanding in the event the charter has not developed local policies.

2. Categories of Charter Schools - For the purposes of provision of special education services, charter schools may be deemed either a local Education Agency (LEA) or a public school within the chartering district. A charter school shall be deemed a public school within the chartering district unless the charter school has complied with all provisions of section 2b (below), including ratification by the Superintendents' Council.

a. Public Schools within a District - Charter schools that are deemed public schools within a district will participate in state and federal funding in the same manner as other schools within the chartering district. The chartering district will be responsible for ensuring that all children with disabilities enrolled in the charter school receive special education and designated instructional services in a manner that is consistent with all applicable provisions of state and federal law. The district will determine the policies and procedures necessary to ensure that the protections of special education law extend to students in the charter school in the same manner as students in the regular program. The charter school, deemed a public school, shall be represented on the SELPA Superintendents' Council by the Superintendent of the district granting the charter.

The chartering district will receive all applicable special education funds, as outlined in the SELPA allocation plan. The chartering district will represent the needs of charter schools, like other schools within the district, in the SELPA governance structure. The chartering district will be responsible for ensuring that all eligible students are appropriately served. The district will be responsible for procuring and funding appropriate special education services, even though the student may live anywhere in the state. The district may contract for these services with public or private educational entities. When a student lives outside the boundaries of the chartering district, the district in which the child lives will have no responsibility to provide services or pay excess costs.

The district and the charter school may enter into agreements whereby the charter school is billed for excess costs associated with providing special education services to identified students, including the administration of special education programs. The charter school may also be held fiscally responsible for a fair share of any encroachment on District general funds that is created by the provision of special education services throughout the district.

b. Charter School as a LEA with the SELPA. - A charter school may apply to become a LEA for the provision of special education services. Application must be made to the SELPA by January 15 of the school year proceeding the school year in which the charter school anticipates operating as a LEA within the SELPA. The Superintendents' Council will make the final determination whether the charter school has the capacity and intent to meet all requirements of a LEA. The application process for a Charter School

will be the same as any other LEA wishing to be a member of the SELPA.

Once deemed a LEA for the purposes of special education, the charter school will be responsible for and entitled to the following:

- a. A charter school designed as a LEA for special education shall have voting rights on the Superintendents' Council of the SELPA.
- b. All charter schools are entitled to state and federal funding for special education in the same manner as other districts within the SELPA per the approved allocation plan.
- c. All charter schools are responsible for all costs incurred in the provision of special education services. These costs may include, but are not limited to, instruction, transportation, nonpublic school/agency placements, inter/intra SELPA placements, due process proceedings, complaints, and attorney fees.
- d. All charter schools must document that all State and Federal special education funds apportioned to the charter school are used for the sole purpose of providing special education instruction and/or services to identified students with disabilities. Such funds shall be used to supplement and not supplant other sources of federal, state, and local funds apportioned to charter school."

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan: [EC 56194(a)(b)(d); EC 56195.9(a)]

The East San Gabriel Valley SELPA Community Advisory Committee (CAC) serves in an advisory capacity and responsibilities include:

Announcements of CAC meetings and activities will be distributed to parents of children with special needs in the SELPA. In addition, information will be posted on the SELPA web page and in any other location required by law.

Each LEA will defend and indemnify the AU against, and will hold and save the AU, its officers, agents, and employees harmless from, any and all actions, claims, damages to persons or property, penalties, obligations, or liabilities that may be asserted or claimed by any person, firm, entity, corporation, political subdivisions, or any other organization arising out of the operation or maintenance or other activities of the LEA or its agents, employees, or independent contractors under this local plan.

Children with disabilities are served in their home districts whenever the needs identified on the individualized education program can be met within the home district. However, it is recognized that some students have unique educational needs that cannot be met in their home districts. Based upon unique educational needs, some students receive services from other districts within the SELPA, districts in neighboring SELPAs, non-public schools, or the Los Angeles County Office of Education.

10. For multi-LEA local plans, specify:

a. The hiring, supervision, evaluation, and discipline of the SELPA administrator and staff employed by the AU in support of the local plan: [EC 56205(a)(12)(D)(ii)(I)]

The AU is responsible for the recruitment of the SELPA Director. The Superintendents' Council shall make the final selection of a candidate for the position of SELPA Director. The SELPA Director shall be an employee of the AU. The Superintendents' Council conducts the evaluation of the SELPA Director. It is the SELPA Director's responsibility to represent the interests of the SELPA as a whole without promoting any particular local education agency's interest over any other agency.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs: [EC 56205(a)(12)(D)(ii)(IV)]

The SELPA member LEAs acknowledge the obligation to maintain the level of general fund contribution toward the provision of special education services at a level equal to or greater than that of the prior year (aka "Maintenance of Effort" or "MOE"), in compliance with state and federal mandates. Funds received under Part B of the Individuals with Disabilities Education Act (IDEA) shall not be used, except in specified situations, to reduce the level of expenditures for the education of children with disabilities, on an aggregate or per capita basis, made by an LEA from state and local funds below the level of those expenditures for the preceding fiscal year made from the same sources.

The SELPA shall comply with Maintenance of Effort regulations requiring that federal funds be used only to pay the excess costs of providing special education and related services to children with disabilities and to supplement and not supplant state and local funds for special education. (Title 34 Code of Federal Regulations sections 300.203-300.205).

The funds are administered through the SELPA as specified in the *East San Gabriel Valley SELPA Low Incidence Guidelines* and include receipt of funds, expenditure of funds, maintenance of an inventory, development of procedures for exchange of equipment, and reporting to the state.

Local Plan Section B Governance and Administration: **Special Education Local Plan Area Services SPP300**

1. Programs for Early Childhood / Part C Early Intervention Special Education

Designated districts provide Early Start services on a regional basis. Those designated districts are Azusa USD and Covina-Valley USD. These districts serve all solely low incidence (visual impairments, hearing impairments, and orthopedic impairments) identified infants with funding through federal resources and funding from the district of residence.

Additionally, some infants residing in the SELPA may be "*dually served*" with Regional Center, and neighboring SELPAs/LEAs with different funding models and Memorandum of Understandings (MOUs) with Regional Center than the MOU with the ESGV SELPA. The Regional Center remains payer of last resort for those children who are "dually served."

Necessary Early Start services are provided in the natural environment, to include home, group and community settings. School districts are responsible for needed transportation to special education and related services noted on the IFSP. For solely low incidence children, the designated school district provides service coordination, special education and related services.

The ESGV SELPA is committed to providing all of the procedural safeguards to families of infants and toddlers with disabilities as mandated by state and federal law. Parent rights are given to all families upon initial IFSP meeting.

For children with an intake at the Regional Center prior to 2 years, 10 months old, the school districts in the ESGV SELPA are committed to working with the Regional Center to assure the completion of an initial evaluation and an IEP by the child's third birthday.

Referrals for students ages 3, 4, and 5 who are not in kindergarten are made to the child's school district of residence. Referrals for assessment may be received from parents, pediatricians, social workers or other community members. Parents will receive either an Assessment Plan or Prior Written Notice to Parent of Action within 15 days of the referral. If an Assessment Plan is signed by the parent/guardian, the assessment will be completed within 60 days of receipt by the district.

Preschool special education services are provided to students with IEPs in a variety of ways according to district procedures. Some districts offer individual and small group instruction in special education class settings. Trans-disciplinary teams share their expertise, working with parents, in addressing the needs of children. Districts may collaborate with other districts within the SELPA, in neighboring SELPAs, or the county office of education to offer special education preschool classes. Some 3, 4 and 5 year olds with disabilities are enrolled in state preschool programs or Head Start as part of their IEP and receive special education and related services to support progress in that setting. The IEP team may determine that some special education eligible 3, 4, and 5 year olds do not require individual and small group instruction to address their special education needs. These children may receive speech/language services and any other necessary related services in community settings or at the local school site. Transportation will be provided if necessary for the child to access special education services.

All children who received special education preschool services will be reevaluated by qualified personnel before entering kindergarten to determine whether or not they are a child with a disability requiring ongoing special education services

See *Memorandum of Understanding between ESGV SELPA and San Gabriel Pomona Regional Center* in the *Exhibits* section related to services for children aged birth to three years. For a listing of programs for early childhood special education programs and services for children aged three through five years of age, see the *Annual Service Plan*. The documents referenced in this paragraph are incorporated by such reference in their entirety.

3. Dispute Resolution

In the event of a disagreement between LEAs, LEAs and the AU, LEAs and/or the AU and the SELPA regarding the distribution of funding, responsibility for service provision and any other governance activities specified in the local plan, the dispute resolution process approved by the Superintendents' Council will be followed. This procedure is intended to resolve disagreements in a mutually satisfactory manner and at the lowest level possible in the governance structure outlined in the Local Plan without undermining local authority.

4. Utilization of General Education Resources

Each LEA shall ensure that a pupil is referred for special educational instruction and services only after the resources of the general education program have been considered and, where appropriate, utilized. Such resources may include, but not be limited to, response to intervention models, student study/success teams, multi-tiered systems of support (MTSS), early literacy programs, remedial programs, and other general education interventions..

5. Nonpublic School Placements

Each LEA that contracts with a nonpublic, nonsectarian school shall evaluate the placement of its pupil(s) in such schools on at least an annual basis as part of the annual IEP review. The LEA representative shall also review the master contract, the individual services agreement, and the IEP to ensure that all services agreed upon and specified in the IEP are provided.

Each LEA shall ensure the evaluation, by qualified personnel, of the educational progress of each pupil placed in a nonpublic, nonsectarian school, including all state assessments required.

Each LEA shall, at least annually, consider whether or not the needs of the pupil continue to be best met at the nonpublic, nonsectarian school and whether changes to the individualized education program of the pupil are necessary, including whether the pupil may be transitioned to a public school setting.

6. **A description of the process by which the SELPA will fulfill the obligations to provide free and appropriate public education (FAPE) to a student age 18 to 21 (or age 22 under the circumstances described in EC 56026(c)(4)) who has been incarcerated in a county jail and remains eligible for special education services:**

The obligation to make FAPE available extends to those otherwise-eligible adults in county jail, age 18 to 21, who: (a) had been identified as a child with a disability and had received services in accordance with an IEP, but left school prior to their incarceration; or (b) did not have an IEP in their last educational setting, but had actually been identified as a child with a disability. (EC Section 56040) It is the responsibility of the District of Residence (DOR) to provide special education services and related services to an adult student in county jail who remains eligible for these services and wishes to receive them. The DOR is the district in which the student's parents resided when the student turned 18, unless and until the parents move to a new DOR. For conserved students, the DOR is based on the residence of the conservator. (EC Section 56041)

The LEAs of the SELPA shall:

1. Seek out eligible adults residing within its boundaries.
2. Review and revise IEPs as necessary, including conducting annual reviews.
3. Determine whether the qualified individual wishes to receive FAPE and if so ensure FAPE is provided with consent.

The following special education requirements do not apply to eligible individuals who are convicted as adults under State law and incarcerated in adult prisons:

- Eligible individuals are exempt from
 - State and LEA-wide assessment programs.
 - Transition Planning and transition services.
 - IEP team may modify the individual's IEP or placement notwithstanding the least restrictive environment requirement if there is a security or compelling penological interest that cannot otherwise be accommodated.

Supplemental Aids and Services and Students with Low Incidence Disabilities (D-12 to D-15)

The standardized account code structure (SACS), goal 5760 is defined as "Special Education, Ages 5–22." Students with a low incidence (LI) disability are classified severely disabled. The LEA may elect to have locally defined goals to separate low-incidence disabilities from other severe disabilities to identify these costs locally.

D-12. Defined Goals for Students with LI Disabilities

Does the SELPA, including all LEAs participating in the SELPA, use locally defined goals to separate low-incidence disabilities from other severe disabilities?

☐ YES ☒ NO

If "No," describe how the SELPA identifies expenditures for low-incidence disabilities as required by *EC* Section 56205(b)(1)(D)?

When the SACS goal code was changed to consolidate the Severely Disabled with Nonseverely Disabled into one goal, LEAs were not required, although may use locally defined goals to separate costs related to low incidence disabilities from other severe disabilities. With the coding change, some LEAs no longer track costs between severe and nonsevere disabilities. In addition, LEAs do not code low incidence disabilities to a specific Goal. As such, for the purpose of the Annual Budget Plan, the Total Projected Expenditures for Students with LI Disabilities is limited to the anticipated revenue restricted for low incidence eligible pupils and is not reflective of all expenditures related to this disability group. This is true for the Total Projected Expenditures for SAS as well.

Attachment I—Local Educational Agency Listing

Participating Local Educational Agency Identification

Enter the California Department of Education (CDE) issued county/district/school code (CDS) and the full name for each local educational agency (LEA) participating in the Local Plan. The LEA names will automatically populate the remaining attachments. Pursuant to California *Education Code (EC)* sections 56205(a)(12)(D)(iii) and 56195.1(b) and (c). SELPAs with one or more LEAs, or those who join with the county office of education (COE) to submit a Local Plan to the CDE for consideration of approval must include copies of joint powers agreements or contractual agreements, as appropriate.

In the table below, enter the CDE issued CDS code and the official name as listed in the California School Directory <https://www.cde.ca.gov/SchoolDirectory/> for each COE, District, Joint Powers Authority (JPA), and SELPA participating in the Local Plan and receiving a special education funding allocation for services and programs provided to students with disabilities.

To Add or Delete Rows:

To add or delete table rows, select the "plus" or "minus" buttons bellow. Actions taken here will be automatically repeated for each of the tables in Attachments II through VI. Users must manually enter LEA information in Attachment VII.

LEA Membership Changes:

If an LEA was previously reported to the CDE in fiscal year 2021–22 or 2022–23 and there is a change in SELPA membership, **DO NOT DELETE** the entry. Instead, under the "LEA Status" column, select the drop-down menu and choose the applicable status option for the LEA membership change.

SELPA County/District/School Codes

- If a SELPA does not have a CDS code, then the associated fields should be left blank. NOTE: If a CDS code section begins with a "0," the zero will not appear in the user's entry.
- If a SELPA does not have a complete CDS code, then leave the associated district and school code blank.
- If a SELPA is not a charter LEA, then leave the associated charter code blank.

SELPA:

Fiscal Year:

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
