California *Education Code (EC)* sections 56195 et seq. and 56205

### Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

### Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan:

The East San Gabriel Valley Special Education Local Plan Area (ESGV SELPA or SELPA) is a multi-district SELPA comprised of Azusa USD, Baldwin Park USD, Bassett USD, Bonita USD, Charter Oak USD, Claremont USD, Covina-Valley USD, Glendora USD, Walnut Valley USD, West Covina USD, California Virtual Academy @ Los Angeles Charter School, iQ Academy Charter School, Opportunities for Learning - Baldwin Park Charter School, Options for Youth - San Bernardino Charter School, and San Jose Charter Academy who joined together to provide for the coordinated delivery of programs and services to students with special needs who reside in the area. ESGV SELPA is located in the eastern section of Los Angeles County, covers 110 square miles, and borders San Bernardino and Orange County.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

In adopting the local plan, each participating LEA agrees to carry out the duties and responsibilities assigned to it within the plan and to ensure equal access to programs and services to eligible persons requiring special education in the service region. In addition, each LEA shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the local education agency of residence programs. Such cooperation ensures that a range of program options is available throughout the SELPA.

The governance structure of the SELPA is established by agreement among the Superintendents of the member LEAs. The governing body of the ESGV SELPA is the Superintendents' Council. The SELPA Director may convene additional advisory committees as needed. The SELPA Director is responsible for coordination of the SELPA and implementation of the local plan.

The Superintendents' Council is composed of the Superintendents, or Superintendent equivalent, from each of the 15 LEAs within the SELPA. Superintendents may participate via telephone or video conferencing, pursuant to the provisions of the Ralph M. Brown Act, if unable to attend a meeting. A quorum shall consist of one more than half of the voting members in attendance.

A chairperson shall be selected by the Superintendents' Council every two years on a rotational basis. The

SELPA Director serves as Secretary to the Superintendents' Council. The SELPA Director will consult with the chair in preparation of the agenda for each meeting; the SELPA Director shall provide all support materials. The chair, or the chair's designee in the chair's absence, shall conduct the meeting.

Members of the Superintendents' Council are responsible to the governing boards of their respective LEAs.

The Superintendents' Council meets a minimum of five times per school year. All meetings of the Council shall be noticed and conducted in compliance with the Brown Act and other applicable laws. The notice and minutes of all regular meetings shall be sent to all superintendents of LEAs within the SELPA, and to other persons as requested.

It is the responsibility of the Superintendents' Council to take action to approve or deny amendments to the local plan, approve changes in the SELPA allocation plan, and any other item determined necessary by the Superintendents' Council. The Superintendents' Council evaluates the SELPA Director on an annual basis.

The Superintendents' Council takes action by voting during a duly agendized meeting. Votes of each member shall be weighted based on the average daily attendance (ADA) of each member's LEA for the second reporting period (P2) of the preceding school year. The SELPA Director shall annually provide the Superintendents' Council with the weighted voting formula at the beginning of each school year. Decisions will be made by a majority vote consisting of one more than half of the those voting, except in circumstances where state or federal law requires a unanimous vote.

The East San Gabriel Valley SELPA Community Advisory Committee (CAC) serves in an advisory capacity. CAC membership includes parents of individuals with exceptional needs enrolled in public or private schools, parents of other students enrolled in school, students with disabilities, adults with disabilities, general education teachers, special education teachers, other school personnel, representatives of other public and private agencies, and persons concerned with the needs of individuals with exceptional needs. At least a majority of the CAC shall be composed of parents of students enrolled in schools participating in the local plan and at least a majority of such parents shall be parents of individuals with exceptional needs.

CAC members shall be appointed by LEA governing boards. Selection of members of the Community Advisory Committee will be the responsibility of each administrator of special education acting for the Local Board, and with its approval. The Superintendents' Council will assure that the make-up of the Committee meets the standards as stated in the California Education Code and that annually staggered two-year terms are established so that no more than half of the members serve the first year of a term in any one year. The SELPA Director or designee serves as an ex officio member of the CAC and acts as the liaison between the CAC and the Superintendents' Council.

### **Amendments to the Local Plan**

The SELPA Director shall be responsible for coordinating the development of any proposed amendments to the local plan. Amendments to the permanent portion of the local plan may be considered at any time. The Superintendents' Council may adopt changes to the local plan on an interim basis, not to exceed one school year. Amendments require the approval of each LEA governing board. Following approval by all LEA governing boards, the SELPA will submit the local plan to the California Department of Special

SELPA Fiscal Year 

Education for submission to the State Board of Education.

### **Joining the SELPA**

Any LEA may request to join the SELPA by submitting a letter of request for membership to the SELPA no later than January 15 of any school year for membership in the following fiscal year. LEAs may be required to join a Joint Powers Agreement (JPA) for purposes of membership and funding per action of the Superintendents' Council.

The letter of request for membership must specify: Name of LEA, contact person with contact information; total enrollment (actual or projected); type of special education services currently offered; plan for delivery of special education services; and background information about the LEA.

The Superintendents' Council shall review the membership request letter and supporting documentation. As necessary and appropriate, the Superintendents' Council or its designee may request additional information, including a face-to-face meeting with representatives of the LEA. SELPA staff will conduct a special education review of the LEA, including, as appropriate, review of previous compliance reviews. Results of the review, including the willingness and ability of the LEA to resolve any non-compliance, shall be reported to the Superintendents' Council.

A final decision shall be made by the Superintendents' Council regarding membership and the projected start date.

The Superintendents' Council may approve or deny any request for membership based on a review of fiscal and programmatic issues. Priority for approval shall be for requests where the programmatic issues are compatible with the SELPA Local Plan and fiscal issues are revenue neutral.

New members of the SELPA shall provide:

1. Agreement and adoption of all sections of the Local Plan by the LEA governance body.
2. Agreement of approved actions of the SELPA Superintendents' Council as contained in approved Superintendents' Council minutes.
3. 4. Agreement to participate in the Special Education Information System (SEIS) system by providing hardware and staff consistent with required specifications.
5. As appropriate and voluntary on the part of a LEA or charter, agreement to representation via a SELPA approved Joint Powers Agreement (JPA).

The SELPA may approve membership of a group of LEAs and/or charter schools that elect to form a Joint Powers Agreement (JPA). Approval shall be based on the same criteria applicable to non-JPA SELPA members. The SELPA may develop a JPA for purposes of addressing small LEA/charter needs as a voluntary option for membership. Such development shall be approved by the Superintendents' Council. The SELPA may elect to allow an existing JPA to join the SELPA up to a total of three total JPAs maximum at one time. It is understood that the JPA shall meet all the same requirements as other LEAs and/or charter schools selected to for a JPA. It is understood that the JPA shall have voting privileges based on the total ADA of all JPA members and is entitled to the same representation as any individual LEA or charter school. The SELPA Director shall be an ex-officio member (non-voting) of this SELPA developed JPA and have access to other member JPAs to address issues consistent with the Local Plan.

Such membership requires the applicant to agree to the provisions of the current SELPA Local Plan, including policies, agreements, and the fiscal allocation plan approved by the SELPA governance

structure. Such adoptions of the current Local Plan shall not require reauthorization of the Local Plan by all members. Such membership shall be indicated via the addition of the new member's name on the Local Plan and any agreement without new approvals by other members. In addition, the member must adopt local policies and administrative regulations or procedures sufficient to support the Local Plan and in compliance with state or federal review. Failure to comply with the criteria listed above will result in the withholding of any funding allocations or portions of allocation until compliance of those items is completed.

**Program Transfer**

A member LEA initiating a transfer of educational programs and services already in operation within the SELPA shall follow appropriate Education Code provisions and adopted SELPA guidelines. In the event an LEA desires to initiate program or services transfers, a transfer planning committee may be designated by the Superintendents' Council, by direction to the SELPA Director, to address, at a minimum, all of the following: pupil needs, the availability of the full continuum of services to affected pupils, the functional continuation of the current IEPs of all affected pupils, the provision of service in the least restrictive environment from which affected pupils can benefit, the maintenance of appropriate support services, the assurance of compliance with federal and state laws and regulations and SELPA policies, and the means through which parents and staff were represented in the planning process.

The transfer of programs will take effect no earlier than the first day of the second fiscal year beginning after the date on which the sending or receiving agency has informed the other agency and the Superintendents' Council, unless the Superintendents' Council unanimously approves the transfer take effect on the first day of the first year following the date of receipt of notification.

The approved SELPA guidelines for program transfer will be followed by SELPA staff as well as all affected agencies. Alternate dispute resolution pursuant to Education Code 56205(d) will be utilized if either sending or receiving agency disagrees with the proposed transfer. All costs associated with due process actions will be paid by the agency initiating the program or service transfer.

**Withdrawal from SELPA**

A member LEA that desires to withdraw from the SELPA shall notify the California Department of Education, the SELPA, and the participating county office(s) of its intent to withdraw from the SELPA at least one year prior to the proposed effective date of the withdrawal. Any such plan to withdraw from the SELPA will be submitted to the Superintendents' Council for approval. Any LEA initiating a proposal to withdraw from the SELPA shall bear the total cost of consultants retained by the LEA or SELPA to provide a thorough analysis of legal or fiscal implications caused by such proposed action. In addition, any due process costs associated with a withdrawal from SELPA shall be born entirely by the LEA initiating the change.

3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan:

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan:

The ESGV SELPA shall submit the Local Plan to the superintendent of the Los Angeles County Office of Education for approval. The Los Angeles County Office of Education may provide services to students with disabilities and support LEAs, as requested.

5. Describe the policies and procedures of the SELPA that allow for the participation of charter schools in the local plan:

**Policy Statement**

Section B: Governance and Administration

SELPA East San Gabriel Valley SELPA

Fiscal Year 2020-21

Special Education and related services shall be provided to all eligible individuals within the jurisdiction of the East San Gabriel Valley SELPA in accordance with this Local Plan. Students enrolled in charter schools chartered by member districts shall receive services in a manner similar to other students. No governing board shall grant a charter unless the charter includes assurances that special education instruction and/or services shall be provided to all eligible disabled students, enrolled in charter school, in accordance with the SELPA Local Plan.

Funding for special education services, participation in the governance structure, and responsibility for provision of services, shall be based on the categorization of the individual charter school. Education Code 47613.5 allows a charter school to be deemed a Local Education Agency (LEA) for purposes of special education and to receive direct funding; or continue to be categorized as a public school within a district. All approved charter schools will be deemed public schools within a district unless the charter school meets the same criteria as any other LEA wishing to join the SELPA and as a result, the SELPA Superintendents' Council has deemed the charter school a LEA for purposes of special education funding. If the approval of a charter requires a change to the SELPA allocation plan, such change will be adopted pursuant to the policy making process of the SELPA. Approval of a new charter or LEA by the Superintendents' Council without any other changes to this Local Plan shall not require Local Board action.

1. SELPA Involvement with Approval and Renewal of Charters - Prior to approval of a new charter, or renewal of an existing charter, the superintendent or designee of the chartering entity shall consult with the SELPA Director regarding the provision of special education services to students enrolled by the charter school. The petitioner must provide adequate assurances that all eligible students enrolled in the charter school will receive/ have received appropriate special education services in accordance with the East San Gabriel Valley SELPA Local Plan. The charter must provide assurances that no student will be/has been denied enrollment in the charter school due to a disability or the charter school's inability to serve the student. The SELPA will be available to provide consultation on the potential fiscal impact and benefits that may be associated with granting the requested charter. An approved charter must delineate the entity responsible for providing special education instruction and services as required of all LEAs, any anticipated transfer of special education funds between the granting entity and the charter school and any provisions for sharing deficits in funding. These provisions may be included in a Memorandum of Understanding in the event the charter has not developed local policies.

2. Categories of Charter Schools - For the purposes of provision of special education services, charter schools may be deemed either a local Education Agency (LEA) or a public school within the chartering district. A charter school shall be deemed a public school within the chartering district unless the charter school has complied with all provisions of section 2b (below), including ratification by the Superintendents' Council.

a. Public Schools within a District - Charter schools that are deemed public schools within a district will participate in state and federal funding in the same manner as other schools within the chartering district. The chartering district will be responsible for ensuring that all children with disabilities enrolled in the charter school receive special education and designated instructional services in a manner that is consistent with all applicable provisions of state and federal law. The district will determine the policies and

procedures necessary to ensure that the protections of special education law extend to students in the charter school in the same manner as students in the regular program. The charter school, deemed a public school, shall be represented on the SELPA Superintendents' Council by the Superintendent of the district granting the charter.

The chartering district will receive all applicable special education funds, as outlined in the SELPA allocation plan. The chartering district will represent the needs of charter schools, like other schools within the district, in the SELPA governance structure. The chartering district will be responsible for ensuring that all eligible students are appropriately served. The district will be responsible for procuring and funding appropriate special education services, even though the student may live anywhere in the state. The district may contract for these services with public or private educational entities. When a student lives outside the boundaries of the chartering district, the district in which the child lives will have no responsibility to provide services or pay excess costs.

The district and the charter school may enter into agreements whereby the charter school is billed for excess costs associated with providing special education services to identified students, including the administration of special education programs. The charter school may also be held fiscally responsible for a fair share of any encroachment on District general funds that is created by the provision of special education services throughout the district.

b. Charter School as a LEA with the SELPA. - A charter school may apply to become a LEA for the provision of special education services. Application must be made to the SELPA by January 15 of the school year proceeding the school year in which the charter school anticipates operating as a LEA within the SELPA. The Superintendents' Council will make the final determination whether the charter school has the capacity and intent to meet all requirements of a LEA. The application process for a Charter School will be the same as any other LEA wishing to be a member of the SELPA.

Once deemed a LEA for the purposes of special education, the charter school will be responsible for and entitled to the following:

- a. A charter school designed as a LEA for special education shall have voting rights on the Superintendents' Council of the SELPA.
- b. All charter schools are entitled to state and federal funding for special education in the same manner as other districts within the SELPA per the approved allocation plan.
- c. All charter schools are responsible for all costs incurred in the provision of special education services. These costs may include, but are not limited to, instruction, transportation, nonpublic school/agency placements, inter/intra SELPA placements, due process proceedings, complaints, and attorney fees.
- d. All charter schools must document that all State and Federal special education funds apportioned to the charter school are used for the sole purpose of providing special education instruction and/or services to identified students with disabilities. Such funds shall be used to supplement and not supplant other sources of federal, state, and local funds apportioned to charter school.

9. Describe the contractual agreements and the SELPA's system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan:

Children with disabilities are served in their home districts whenever the needs identified on the individualized education program can be met within the home district. However, it is recognized that some students have unique educational needs that cannot be met in their home districts. Based upon unique educational needs, some students receive services from other districts within the SELPA, districts in neighboring SELPAs, non-public schools, or the Los Angeles County Office of Education.

After attempts to resolve issues of noncompliance, the SELPA Director may recommend corrective action plans, re-allocation of funds, and other remedies to the Superintendents' Council. Remedies may include the involvement of the California Department of Education.

A duly adopted board policy of each LEA member of the ESGV SELPA shall indicate that the LEA is responsible for educating children with disabilities in the least restrictive environment. Placement in special education programs or services occurs only when the nature or severity of the disability is such that the child's education, even with the use of modifications of the general education program or use of supplementary aids or programs, cannot be achieved satisfactorily in the general education setting.

Funds received under Part B of the Individuals with Disabilities Education Act (IDEA) shall not be used, except in specified situations, to reduce the level of expenditures for the education of children with disabilities, on an aggregate or per capita basis, made by an LEA from state and local funds below the level of those expenditures for the preceding fiscal year made from the same sources.

The SELPA shall comply with Maintenance of Effort regulations requiring that federal funds be used only to pay the excess costs of providing special education and related services to children with disabilities and to supplement and not supplant state and local funds for special education. (Title 34 Code of Federal Regulations sections 300.203-300.205).

The AU, as the grantee of federal funds from the State Department of Education, shall distribute all or part of the federal funds received to participating LEAs within the SELPA through a sub-granting process and shall annually conduct and report to the State Department of Education the required MOE information. The LEAs within the SELPA shall annually compile and submit to the SELPA budget and expenditure information including SEMA and SEMB comparisons as adopted and defined by the California Department of Education. The two comparison tests are as follows:

- First Comparison - Grant Year Budget versus Prior Actual Expenditures

California Department of Education

Special Education Division

2022–23 Local Plan Submission

## Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

**IMPORTANT:** Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. *California Education Code (EC) Section 56048*

Pursuant to *EC Section 56195.1(2)(b)(3)*, each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

AB 602 and State Mental Health revenue are allocated based on ADA (80%) and Special Ed pupil count (20%). A portion of Out of Home Care is allocated based on actual expenses, to reimburse member LEAs for students residing in foster homes and Licensed Children's Institute. A portion of the Low Incidence revenue is used to reimburse member LEAS for purchases of equipment & materials. The remaining revenue is allocated based on Low Incidence pupil count. Federal Mental Health revenue is allocated first to reimburse LEAs' residential costs, with the remaining funds allocated based on ADA and pupil count. All other IDEA federal grants are allocated based on Special Ed pupil counts consistent with each grant's method of allocation to the grantees. A portion of the Local Assistance Entitlement is set aside by the SELPA to provide services to private schools within the SELPA's geographic boundaries. The Part C Early Education funding is allocated to the two districts serving the infants within the SELPA. Regionalized operations and services are provided by the AU as well as other member LEAs. Apportionments for SELPA office operations are retained at the AU while a portion of the

b.  YES  NO

If the allocation plan specifies that funds will be apportioned to the RLA/AU/AE, or to the SELPA administrator (for single LEA SELPAs), the administrator of the SELPA, upon receipt, distributes the funds in accordance with the method adopted pursuant to *EC* Section 56195.7(i). This allocation plan was approved according to the SELPA's local policymaking process and is consistent with SELPA's summarized policy statement identified in Local Plan Section B: Governance and Administration item B-4. **Supplemental Aids and Services and Students with Low Incidence Disabilities (D-12 to D-15)**

The standardized account code structure (SACS), goal 5760 is defined as "Special Education, Ages 5–22." Students with a low incidence (LI) disability are classified severely disabled. The LEA may elect to have locally defined goals to separate low-incidence disabilities from other severe disabilities to identify these costs locally.

**D-12. Defined Goals for Students with LI Disabilities**

Does the SELPA, including all LEAs participating in the SELPA, use locally defined goals to separate low-incidence disabilities from other severe disabilities?

YES     NO

If "No," describe how the SELPA identifies expenditures for low-incidence disabilities as required by *EC* Section 56205(b)(1)(D)?

When the SACS goal code was changed to consolidate the Severely Disabled with Nonseverely Disabled into one goal, LEAs were not required, although may use locally defined goals to separate costs related to low incidence disabilities from other severe disabilities. With the coding change, some LEAs no longer track costs between severe and nonsevere disabilities. In addition, LEAs do not code low incidence disabilities to a specific Goal. As such, for the purpose of the Annual Budget Plan, the Total Projected Expenditures for Students with LI Disabilities is limited to the anticipated revenue restricted for low incidence eligible pupils and is not reflective of all expenditures related to this disability group. This is true for the Total Projected Expenditures for SAS as well.

SELPA:

Fiscal Year:

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
