

The CAPTAIN Local Interagency Collaborative "CLIC" presents:

6TH ANNUAL EBP CONFERENCE MARCH 23, 2023

Join us for a day of collaboration & learning about Evidence Based Practices for individuals with Autism & Other Developmental Disabilities ~ hosted by the CAPTAIN Local Interagency Collaborative (CLIC) Regional Team

Featuring our Keynote Speaker: Ann England, M.A., CCC-SLP-L

Ann is the Co-Coordinator of the California Autism Professional Training And Information Network (CAPTAIN) and the Project Coordinator of the SELPA Content Lead-Autism which is part of California's Statewide System of Support. Ann provides training and technical assistance to SELPAs, school districts, charter schools, and county offices of education throughout California, regarding the implementation of evidence-based practices to maximize academic and social outcomes for students with autism and other developmental disabilities. Ann is dedicated to improving outcomes for students with autism and supporting their educators, families and service providers.
