Public Comment

This is the time and place for the general public to address the CAC. State law prohibits the CAC from acting on any issue, not on the agenda. Because there are time limits imposed for public comment, the CAC will not answer questions nor respond to statements made during Public Comment. Comments are limited to **three (3) minutes per person**, with a total of **20 minutes allotted** for any single item. Non-agenda items will be heard during Public Comments. Members of the CAC may choose to take notes and respond briefly after Public Comment is closed.
